

## **COMMERCIAL TRUCK DRIVING**

### **MISSION**

The faculty believes in the right and privilege of individual access to occupational education designed to prepare individuals for successful and productive citizenship. This education and training should provide individuals with the skills and knowledge needed to excel professionally and personally, experience personal and professional satisfaction, and contribute to a better society. The Commercial Truck Driving program encourages the growth and development of each individual as a person, a professional, and a citizen.

### **PROGRAM PURPOSE**

The purpose of the Commercial Truck Driving program is to provide accessible, quality educational opportunities that will provide individuals with the knowledge, technical skills, and attitudes necessary to obtain entry-level employment in the commercial truck driving profession.

This program is intended to produce graduates who are prepared for entry-level employment, upon licensure, as Class "A" commercial truck drivers. Program graduates are to be competent in the technical areas of hours of service regulations, vehicle inspection procedures, basic backing skills, defensive driving techniques, basic driving techniques, driver fatigue recognition, and recognition of driving environment hazards.

Reid State Technical College will accomplish program objectives by providing students with a comprehensive technical training in the core area of Commercial Truck Driving. The occupational skill preparation is designed to meet the United States Department of Transportation, Federal Highway Administration, and Commercial Driver's License (CDL) recognized skill standards. The college will ensure program quality through internal certification of graduate competencies and external licensure of graduates by the Commercial Driver's License Division.

The philosophy and purpose of the Commercial Truck Driving program is consistent with that of the governing institution.

### **EMPLOYMENT OUTLOOK**

According to the Alabama Occupational Trends for 2016 (Alabama Department of Industrial Relations), there are an anticipated 1,950 annual job openings in this field.

### **PROGRAM OUTCOME OBJECTIVES**

1. Program graduates will be proficient in communication, computation, and interpersonal skills
2. Program graduates will be technically proficient
3. Program graduates will be able to obtain Commercial Driver's Licenses with appropriate endorsements
4. Program graduates will be successfully employed in the field
5. Employers of program graduates will be satisfied with their education and training

### **ADMISSION REQUIREMENTS**

Applicants to this program must complete the Commercial Truck Driving admission application, the TABE assessment thru RSTC's Adult Education Program, and be 21 years of age. Additionally, applicants must provide a motor vehicle driving record (MVR) for the last three years. Students will also submit a D.O.T. physical, drug screen, and Commercial Learners License in order to register. While enrolled, students are subject to random drug and alcohol tests in accordance with the Department of Transportation Omnibus Transportation Employee Testing Act of 1991.

Alabama Department of Public Safety regulation, effective January 1, 2006, requires a student to possess one of the following commercial licenses:

1. Commercial Learner License (CLL) – A CLL is required for someone to legally drive upon the highway if they do not currently possess a CDL. A state learner license, valid for up to one year, shall be considered valid commercial drivers' licenses for purposes of behind-the-wheel training on public roads or highways. This includes Class D privileges. This license is issued to Class D operators or individuals with no driver license.
