

Roane County Schools
TMSAA Waiver of Independent Game Rule Announcement

The Roane County School System will abide by the one-year trial waiver of the independent game participation rule for the 2016-17 school year as proposed by the Tennessee Middle School Athletic Association. This will allow our middle school baseball/softball student-athletes to simultaneously participate on the school team as well as a travel or independent league team. We will abide by this waiver with the following stipulation: If any coach, or administrator has reason to believe that any student-athlete has missed a school practice or a school game to participate in an independent or travel league practice or game, that student-athlete will be removed from the school team with no opportunity to be placed back on the school team for the remainder of the current season.
