RE: Notice to Parents Regarding
Qualifications of Title I Teachers

As a parent of a student who is in a Title I School-wide Program at Washington Primary School or Jefferson Intermediate School, you have a right under federal law to request information about the professional qualifications of the teachers who instruct your child. The No Child Left Behind Act of 2001 gives you the right to ask for the following information about each of your child's classroom teachers:

- Whether the State of Colorado has licensed or qualified the teacher for the grades and subjects he or she teaches.
- Whether the teacher is teaching under an emergency license (letter of authorization) or other provisional status by which state licensing criteria have been waived.
- The teacher's college major, whether the teacher has any advanced degrees and, if so, the subject of the degrees.

If you would like to receive any of this information, please contact me at 254-7423, or by writing to my office at 601 South 8th Street, Rocky Ford, CO 81067.
