Parent Teacher Conferences
Take advantage of parent-teacher conferences during the school year. Think of some questions and concerns you may have and write them down before your meeting. Keep track of your child's schoolwork to help you with your questions. You are in a position to share important information, as well as ask questions. Remember, to talk to your child's teacher throughout the year, so that you know what is happening in the classroom. Next Conferences will be held February 8th and 9th.
