

SAINT PHILIP NERI
Catholic School

Dear Parents,

Welcome! Saint Philip Neri Catholic School is a community that truly takes pride in our school. Parents, teachers, and staff work together to educate the whole child and promote respectful, responsible, and reverent life-long learners. The education of your child is important and we appreciate that you would consider Saint Philip Neri.

In addition to a core curriculum of religion, mathematics, social studies, science and language arts, we promote 21st century learning. Students are provided the opportunity to collaborate and build communication skills, engage in critical thinking and problem solving, and display creativity and innovation. Technology is infused throughout our curriculum. All students participate in our enrichment classes, which include Spanish, art, music, garden science and physical education. Additionally, middle school students choose between elective courses of broadcasting, media, public speaking, speech and debate, study skills, technology, and drama. Our elective courses reflect our belief in honoring the diversity and dignity of every child by offering a wide array of courses to select.

Service learning is an important part of the education of our students. Through service hours, as well as school and class service projects, our students seek to help others. We emphasize the role of leadership and community for all our students. Our Share and Care extended care program is open before and after school and offers seasonal enrichment programs such as art and cooking for students.

We look forward to showing you our wonderful school and we thank you for your interest. Please don't hesitate to contact me personally with any questions you may have about our school.

Sincerely,

Jessica Murray
Principal

Share and Care – After School Program

The Share & Care Center is the School's extended care program, and provides a place where SPN students are able to come after school to play and grow in a well organized, yet flexible learning environment. Parents, as well as the children, will have the security of knowing that the children are being provided for in a program that is devoted to the growth and development of the child.

All activities are designed to allow the child to build and reinforce a positive self image and a positive attitude about sharing and caring for each other in a group setting. The "Share & Care" Extended Care Program embodies the philosophy of Saint Philip Neri Catholic School. Activities include indoor games, both directed and independent, story telling, arts and crafts, outdoor recreation and study time.

The Share & Care Center is opened from 7:00 a.m. to 8:00 a.m. and from 2:30 p.m. to 6:00 p.m. Contracted and drop-in rate are available. Discounts apply for contracted service and for each succeeding child in the same family.
