Dear Parents/Guardians:

To ensure maximum student support services for your High School student(s), we kindly request that your household submit an online Household Income Data Collection Form at <https://family.titank12.com.income-form/new?identifier=T8X7HA> no later than December 18, 2020. The information you provide will remain confidential. If you are unable to complete this online, paper forms are also available at each school site's community liaisons office and at the District Support Services center.

Even though students are not currently on campus due to COVID-19 and that all children under 18 may receive NO COST MEALS through the end the 2020-2021 school year, we still need you to complete the data collection form to ensure that your high school student(s) has access to all eligible resources, including waivers for college admissions tests and applications, discounts on home internet, and it also generates additional State and Federal funding to support supplemental education programs and services at our high schools.

The website is also accessible by clicking on this Titan link which is also located on the District and High School websites.

If you need assistance please email Michele Beach at mbeach@smjuhsd.org - (805) 922-4573 x 4402.

Thank you very much.
