**Assistant Superintendent/Business  
Services**

Mr. Kevin Platt  
**Assistant Superintendent/Human  
Resources**

### **School Description**

Delta High School is on the cutting edge in offering a variety of curricula to students. The primary goal of Delta High School is to redirect and focus students towards graduation from high school. Students may graduate from Delta High School or return to their home school, at the beginning of the fall semester, as long as the established criteria is met.

In May 2015, Delta High School was recognized as a California Model Continuation High School.

Delta High School's current facility is eight years old. The campus has the capacity to serve around 340 students during the day. In addition, several other students attend Independent Study.

Delta High School has a staff that is committed to the success of your child. Each student is assigned an Advisor who works with him/her in all aspects of his/her high school program. As well as students being enrolled in assigned classes, they have the option of enrolling in self-pace course(s). Students have access to the PLATO Computer Lab and the On-Track Credit Recovery (OTCR) program. Delta High School is a fully accredited school by the Western Association of Schools and Colleges (WASC).

Delta has high academic standards with a very nurturing and positive learning environment. The faculty and staff want all of the students to be successful at Delta. Students, who take the responsibility to engage in their education, will be rewarded with personal, social and academic growth.

The importance of parent involvement in a child's education cannot be over emphasized. Students need parents' active support and participation in their pursuit of a high school diploma. Parents can contact their child's Advisor by phone or email to be kept up-to-date with their child's progress. Parents also have access to the online Parent/Student Portal to view academic process and attendance. Parent conferences are welcomed and encouraged. The key to a student's success in school is positive communication between the student, parent, and school.

### **VISION STATEMENT:**

Our VISION is to provide a student-centered environment where all individuals can succeed with the support of the school, family, and community. Through a variety of educational options, all students have access to a meaningful, relevant, and standards-based curriculum that prepares them for the world of work and/or post-secondary endeavors. Given the opportunity to make their own choices, all students are treated as young adults and are expected to be active participants in planning their educational progress and achieving personal growth.

### **MISSION STATEMENT:**

By raising expectations, giving constant encouragement, and creating an environment that empowers students, we eliminate all excuses that limit a student from reaching his or her personal and academic potential.

### **MOTTO:**

"Expect. Encourage. Empower. No Excuses!"

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

| 2016-17 Student Enrollment by Grade Level |                    |
|---|--------------------|
| Grade Level                               | Number of Students |
| Grade 11                                  | 116                |
| Grade 12                                  | 254                |
| <b>Total Enrollment</b>                   | <b>370</b>         |

| 2016-17 Student Enrollment by Group |                             |
|-------------------------------------|-----------------------------|

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

| Teacher Credentials                          |       |       |       |
|--|-------|-------|-------|
| Delta High School                            | 15-16 | 16-17 | 17-18 |
| With Full Credential                         | 13    | 13    | 13    |
| Without Full Credential                      | 0     | 0     | 0     |
| Teaching Outside Subject Area of Competence  | 0     | 0     | 0     |
| Santa Maria Joint Union High School District | 15-16 | 16-17 | 17-18 |
| With Full Credential                         | ♦     | ♦     |       |
| Without Full Credential                      | ♦     | ♦     |       |
| Teaching Outside Subject Area of Competence  | ♦     | ♦     |       |

| Teacher Misassignments and Vacant Teacher Positions at this School |       |       |       |
|--|-------|-------|-------|
| Delta High School  | 15-16 | 16-17 | 17-18 |
| Teachers of English Learners                                       | 0     | 0     | 0     |
| Total Teacher Misassignments                                       | 0     | 0     | 0     |
| Vacant Teacher Positions   | 0     | 0     | 0     |

\* "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc. Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

### Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2017-18)

SMJUHSD provides standards-based aligned textbooks for all students. The textbooks are adopted from a state-approved list. Every student has access to their own textbooks and instructional materials, including English Learners.

Textbook selection is a collaborative process. Textbooks are selected through content area department meetings at the District level. State approved textbooks are evaluated by certificated staff (who teach that specific area content) to determine which one best meets the needs of all students in the district. The selection is then sent to the Board of Education for approval.

| Textbooks and Instructional Materials<br>Year and month in which data were collected: Jan 2018 |  |

### School Facility Conditions and Planned Improvements (Most Recent Year)

Delta High School sits on a two-acre lot surrounded by homes. Delta High School's new campus opened August 2010. The school is comprised of three one-story buildings containing 12 classrooms, a career center, an Independent Study office, administrative offices, storage spaces, restrooms, and a multipurpose room. The three buildings total 17,138 square feet.

There is a large grass play space on the north end of the campus. The south end includes a basketball court, additional grass play space, parking, and a maintenance equipment storage building.

Daily custodial support is provided by one employee shared between this site and Ernest Righetti High School. Large cleaning projects are performed by crews from the comprehensive high schools. Grounds maintenance is provided by Pioneer Valley High School's grounds crew.

Staff members are outside supervising students during any class activity as well as during arrival and departure from school. Security is available on campus seven hours a day.

Although the State discontinued the State School Deferred Maintenance Program, the District continues to set aside funds in a restricted account to address expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, and floor systems. For the 2016-17 fiscal year, the District spent \$277,937 on deferred maintenance. In addition, for 2016-17 fiscal year the District spent \$2.76 million in Routine Restricted Maintenance expenditures (California Education Code Section 17070.75), which amounts to 2.77% of the District's general fund budget.

**Planned Improvements (School Year 2017-18)**

Solar power installation is in progress to reduce utility costs. The system is planned to be on line in Spring 2018.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

| 2016-17 CAASPP Results for All Students |  |       |          |       |       |       |
|---|--|-------|----------|-------|-------|-------|
| Subject                                 | Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11) |       |          |       |       |       |

| 2015-16 CAASPP Results by Student Group<br>Science (grades 5, 8, and 10) |                    |                   |                     |                        |  |
|--|--------------------|-------------------|---------------------|------------------------|--|
| Group  | Number of Students |                   | Percent of Students |                        |  |
|  | Enrolled           | with Valid Scores | w/ Valid Scores     | Proficient or Advanced |  |

\* Science test results include CSTs, CMA, and CAPA in grades five, eight, and ten. The "Proficient or Advanced" is calculated by taking the total number of students who scored at Proficient or Advanced on the science assessment divided by the total number of students with valid scores. Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

\* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

| CAASPP Test Results in Science for All Students |  |       |          |       |       |       |
|---|--|-------|----------|-------|-------|-------|
| Subject   | Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards) |       |          |       |       |       |
|   | School   |       | District |       | State |       |
|   | 14-15  | 15-16 | 14-15    | 15-16 | 14-15 | 15-16 |
| Science   | --   | --    | 37       | 33    | 56    | 54    |

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

| Grade Level | 2016-17 Percent of Students Meeting Fitness Standards |        |        |
|-------------|---|--------|--------|
|             | 4 of 6  | 5 of 6 | 6 of 6 |

\* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

| Students Receiving Migrant Education Services | --               | --            | --             | --                      |
| Foster Youth                                  | --               | --            | --             | --                      |

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**School Year 2016-17 CAASPP Assessment Results - Mathematics  
Disaggregated by Student Groups, Grades Three through Eight and Eleven**

| Student Group                                 | Total Enrollment | Number Tested | Percent Tested | Percent Met or Exceeded |
|---|------------------|---------------|----------------|-------------------------|

The achievement level percentages are calculated using only students who received scores.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

### Opportunities for Parental Involvement (School Year 2017-18)

Contact Person Name: Esther Prieto-Chávez

Contact Person Phone Number: 805-937-6356, x1701

Parents may participate in organized committees such as the School Site Council, Parent/Teacher/Student Committee or the English Language Advisory Committee. Each committee meets approximately 4 to 6 times a year. Parents may also volunteer to help in the classrooms, during field trips, sports events, and as tutors.

### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

### School Safety Plan

Delta's Safe School Plan is revised annually. Earthquake and fire drills are held at least once a semester. Administration and the office staff have access to a two-way radio for immediate communication. Administration also has access to cell phones to expedite communication with the District Office in case of an emergency. The office staff has cell numbers available to administration and district staff. The data collection tools include suspensions, expulsions, and discipline referral reports. Key elements of the school safety plan include: disaster procedures, emergency phone numbers, operations/organization list, safe routes to school, drugs and alcohol, harassment, sexual harassment, hate crimes, and suicide intervention protocol. Additionally, there is a "Bully Button" on each school's website.

| Suspensions and Expulsions |         |         |         |
|----------------------------|---------|---------|---------|
| School                     | 2014-15 | 2015-16 | 2016-17 |
| Suspensions Rate           | 6.5     | 5.4     | 7.1     |
| Expulsions Rate            | 0.0     | 0.2     | 0.2     |
| District                   | 2014-15 | 2015-16 | 2016-17 |
| Suspensions Rate           | 7.1     | 4.8     | 5.0     |
| Expulsions Rate            | 0.1     | 0.1     | 0.0     |
| State                      | 2014-15 | 2015-16 | 2016-17 |
| Suspensions Rate           | 3.8     | 3.7     | 3.6     |
| Expulsions Rate            | 0.1     | 0.1     | 0.1     |

## D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

| 2017-18 Federal Intervention Program                |           |           |
|---|-----------|-----------|
| Indicator   | School    | District  |
| Program Improvement Status                          | In PI     | In PI     |
| First Year of Program Improvement                   | 2011-2012 | 2007-2008 |
| Year in Program Improvement                         | Year 4    | Year 3    |
| Number of Schools Currently in Program Improvement  | 4         |           |
| Percent of Schools Currently in Program Improvement | 100       |           |

| Academic Counselors and Other Support Staff at this School |     |
|--|-----|
| Number of Full-Time Equivalent (FTE)                       |     |
| Academic Counselor   | 1   |
| Counselor (Social/Behavioral or Career Development)        | 0   |
| Library Media Teacher (Librarian)                          | 0   |

| English  | 12                 | 12      | 14      | 30                    | 30      | 30      | 3       | 4       | 4       |         |         |         |
| Mathematics  | 14                 | 14      | 16      | 15                    | 11      | 9       |         |         | 1       |         |         |         |
| Science  | 12                 | 11      | 11      | 11                    | 14      | 16      | 2       |         |         |         |         |         |
| Social Science   | 13                 | 7       | 11      | 18                    | 43      | 25      | 6       | 1       | 2       |         |         |         |

\* Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

### Professional Development provided for Teachers

The district provides Professional Development trainings. School wide goals are aligned with the district goals established in the Local Control and Accountability Plan (LCAP). Teachers may attend conferences and trainings that align with the goals established in the Single School Plan for Student Achievement. At this time, the district focuses professional development activities on implementing Common Core State Standards and developing appropriate assessments and instructional techniques. Professional Learning Communities serve as the framework for all professional trainings. Delta Title I funds are also used for staff development.

| FY 2015-16 Teacher and Administrative Salaries |                 |  |
|--|-----------------|--|
| Category                                       | District Amount | State Average for Districts In Same Category |
| Beginning Teacher Salary                       | \$45,538        | \$50,221                                     |
| Mid-Range Teacher Salary                       | \$82,601        | \$83,072                                     |
| Highest Teacher Salary                         | \$98,897        | \$104,882                                    |
| Average Principal Salary (ES)                  |                 |  |
| Average Principal Salary (MS)                  |                 | \$128,094                                    |

### Types of Services Funded

Delta High School receives funding from Title I and Perkins. Funds are used for professional development, technology upgrades, conferences, intervention materials and supplies, and teacher salaries,.

Categorical funds provide remediation/intervention courses for students in English Language Arts, mathematics, and other core subjects. Plus, funds are used to improve student academic growth, student support, student engagement, and technology.

### Career Technical Education Programs

Delta High School offers Graphic Arts and Career Exploration classes to help students prepare for the world-of-work and to develop an awareness of job skills and training required for occupations in the career pathways.

Students are encouraged to take CTE classes as electives along with their required course schedules by the counselor. Students are placed in CTE courses in sequence whenever possible. Students are encouraged to talk to the teachers involved in CTE courses. Students in the Graphic Arts and Career Exploration classes are using writing prompts used in the English Rubrics when they write five paragraph essays in the Career Technical area. All communications, formats, reports, letters, memos, e-mails, and online projects are checked for grammar, punctuation, spelling, correct usage, and sentence structure. Project mastery is the method used to test Graphic Arts competencies. In the Career Exploration classes, resume formats are graded for correctness of format and appropriateness of use in obtaining a job.

Each student has a student profile which is initiated when the student enrolls at Delta High School. If the student had an existing profile at the comprehensive site and it is available to the Career Center Technician, it is continued and up-graded as student progresses throughout high school.

Speakers in all the industry sectors are brought into the Career Center to stimulate, motivate, and educate students in their directed interest field and the relevance of their Career Choice to the "World-of-Work". Speakers from all post-secondary schools are used from Allan Hancock College, Santa Barbara Business College, Universal Technical Institute, Arizona Auto Institute, and Fashion Institute of Design and Modeling. All branches of the military provide speakers for student information.

Delta High School follows the students' Six Year Plan for all students as most students are referred from the district's comprehensive schools. Each year, students complete interest inventories and complete research on their career focus and related post-secondary education.

The students complete their portfolios by the time they graduate. This portfolio includes self-assessments, resumes, references, academic and personal achievements, samples of work career research, cover letters, interviews, job applications and all job openings posted in the Career Center.

The Graphic Arts classes complete a variety of computer generated projects. They learn graphic arts functions, applications of desktop publishing, and electronic imaging software.

Delta High School does not have an established ROP program. Delta students do attend other schools in the district for ROP classes.

John Davis, Assistant Superintendent of Curriculum and Instruction, is the District career technical advisory committee representative. At this time, there are no industries represented.

#### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
