

STRATEGIC PLANNING INITIATIVE

Scott County School District is planning for the future. Through our strategic planning initiative, we will identify the goals and strategies that will determine priorities and drive decision making in the district.

We are asking for your help.

Surveys have been developed to get input from the entire Scott County School District community. Separate surveys are available for the following:

- ◆ Parents
- ◆ Community Members
- ◆ Students
- ◆ Staff

Access the surveys from the district's website, or use the QR code.

We want your input.
