Campus Parent and Family Engagement Plan

School Year 2018-2019

The Scurry-Rosser Elementary School Parent and Family Engagement Plan is a comprehensive plan that will help develop a meaningful partnership to meet the needs of families, school, and community. Our goal is to welcome parents and their contributions to our campus. Family engagement is the mutual responsibility of families, school and communities which builds relationships to support student learning and achievement. Family engagement also helps support family well-being, family-student relationships and ongoing learning and development of children, families, and educators. It is fully integrated in the child's educational experiences and supports the whole child and is both culturally responsive and linguistically appropriate.

In support of strengthening student academic achievement, Scurry-Rosser Elementary School receives Title 1, Part A funds and therefore must jointly with, agree on with, and distribute to parents and family members of participating children a written parent and family engagement policy that contains information required by the Every Student Succeeds Act and section 1118 (parental involvement policy) of the Elementary and Secondary Education Act. The policy establishes Scurry-Rosser Elementary's expectations and objectives for meaningful parent and family engagement and describes how Scurry-Rosser Elementary will implement a number of specific parent and family engagement activities.

Part 1: General Expectations

Scurry Rosser Elementary agrees to implement the following statutory requirements:

- Consistent with section 1118, the school will work to ensure that the required school level parental involvement policies meet the requirements of section 1118 of the ESEA, and each include, as a component, a school-parent compact consistent with section 1118(d) of the ESEA.
- The school will notify parents of the policy in an understandable and uniform format and, to the extent practicable, in a language the parents can understand. The policy will be made available to the local community and updated periodically to meet the changing needs of parents and the school.
- In carrying out the Title I, Part A, parental involvement requirements, to the extent practicable, the school will provide full opportunities for the participation of parents with limited English proficiency, parents with disabilities, and parents of migratory children, including providing information and school reports required under section 1118 of the ESEA in an understandable and uniform format and including alternative formats upon request and, to the extent practicable, in language parents understand.
- If the school-wide program plan for Title I, Part A, developed under section 1114(b) of the ESEA, is not satisfactory to the parents of participating children, the school will submit any parent comments with the plan when the school submits the plan to the local educational agency (school district).

- The school will build its own and the parent’s capacity for strong parental involvement, in order to ensure effective involvement of parents and to support a partnership among the school, parents, and the community to improve student academic achievement.
- The school will provide other reasonable support for parental involvement activities under section 1118 of the ESEA as the parents may request.
- The school will be governed by the following statutory definition of parental involvement, and will carry out programs, activities, and procedures in accordance with this definition:

Parental involvement means the participation of parents in regular, two-way, and meaningful communication involving student academic learning and other school activities, including ensuring—

(A) that parents play an integral role in assisting their child’s learning;
