

# Seaside School District 10

Code: **AE**  
Adopted: 3/17/11

## District Goals

The goal of the District, working in cooperation with staff, parents and community members, is to provide a District that, through the following characteristics, supports the physical and cognitive growth and development of students:

1. Provides equal and open access and educational opportunities for all students regardless of their race, color, religion, sex, sexual orientation, national origin, marital status, age, or disability;
2. Assumes that all students can learn and establishes high, specific skill and knowledge expectations and recognizes individual differences at all instructional levels;
3. Provides special education, compensatory education, linguistically and culturally appropriate education and other specialized programs to all students who need those services;
4. Provides students with a solid foundation in the skills of reading, writing, problem solving and communication;
5. Provides opportunities for students to learn, think, reason, retrieve information, use technology and work effectively alone and in groups;
6. Provides for rigorous academic content standards and instruction in mathematics, science, English, history, geography, economics, civics, physical education, health, the arts and second languages;
7. Provides students with an educational background to the end that they will function successfully in a constitutional republic, a participatory democracy and a multicultural nation and world;
8. Provides students with the knowledge and skills that will provide the opportunities to succeed in the world of work, as members of families and as citizens;
9. Provides students with the knowledge, skills and positive attitude that lead to an active, healthy lifestyle;
10. Provides students with the knowledge and skills to take responsibility for their decisions and choices;
11. Provides opportunities for students to learn through a variety of teaching strategies;
12. Emphasizes the involvement of parents and the community in the total education of students;
13. Transports students safely to and from school;

14. Ensures that the funds allocated to schools reflect the uncontrollable differences in costs facing each district;
15. Ensures that local schools have adequate control of how funds are spent to best meet the needs of students in their communities;
16. Provides for a safe, educational environment;
17. Supports students' academic growth beyond proficiency in academic content standards and encourages their attainment of individual goals.
