Executive Sessions

The Board may meet in executive session to discuss subjects allowed by statute but may not take final action except for the expulsion of students and matters pertaining to or examination of the confidential medical records of a student, including that student's educational program.

Executive sessions may be held during a regular, special or emergency meeting for any reason permitted by law.

The presiding officer will announce the executive session by identifying the authorization under ORS 192.660 for holding such session and by noting the subject of the executive session. Members of the press may attend executive sessions except those pertaining to strategies for negotiations, hearings on the expulsion of minor students and matters pertaining to a student's medical records or educational program, if related to a medical condition, litigation or litigation likely to be filed if the member of the news media is a party to the litigation or is an employee, agent or contractor of a news media organization that is a party to the litigation.

A Board member may request and, with the consensus of the Board, require the presiding officer to convene an executive session for a purpose authorized under law.

The minutes of an executive session held to consider expulsion of a minor student will exclude the following:

1. The name of the minor student;
2. The issue including the student's confidential medical records and educational program;
3. The discussion; and
4. Each Board member's vote on the issue.

All executive session minutes not conducted under ORS 332.061 shall be kept in written form.

Content discussed in executive sessions is confidential and must not be made public. Documents pertaining to evaluation, District personnel and students are also confidential and must not be made available to the public.
