

Seaside School District 10

Code: **GBE**
Adopted: 7/26/07

Staff Health and Safety

The Board authorizes the superintendent to take all necessary and appropriate means to provide for the health and safety of all employees while engaged in the performance of their duties.

Employees are expected to follow all established safety rules and regulations, including those pertaining to the use of safety equipment and the wearing of safety clothing and protective eye devices.

Employees may be expected to furnish evidence acceptable to the Board as to their physical fitness for their assignments at the time they are initially employed. Thereafter, if further evidence is required, it will be requested and paid for by the Board.
