

Seaside School District 10

Code: **GBEB**
Adopted: 7/26/07

Communicable Diseases

The District shall provide reasonable protection against the risk of exposure to communicable/infectious disease for students and staff. Students and staff with communicable/infectious disease as defined by the Oregon Health Department Administrative Rules will be subject to a determination regarding the extent of exclusion from the school environment.

Students and staff with communicable/infectious disease shall be subject to exclusion from school as provided by Oregon law, limited exclusion or nonexclusion. If excluded, re-admission will be based on the District guidelines.

During exclusion the District will make all reasonable efforts to assist the individual to remain a part of the school community.
