

School Annual Education Report (AER) Cover Letter

Date posted: March 23, 2016

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2013-2014 educational progress for Shelby High School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability and teacher quality. If you have any questions about the AER, please contact Fran Schamber, building principal, for assistance.

The AER is available for you to review electronically by visiting the following web site <https://shelbypublicschools.net> or you may review a copy in the principal's office at your child's school.

The state has identified some schools with the status of Reward, Focus or Priority. A Reward school is one that is outperforming other schools in achievement, growth, or is performing better than other schools with a similar student population. A Focus school is one that has a large achievement gap in 30% of its student achievement scores. A Priority school is one whose achievement and growth is in the lowest 5% of all schools in the state.

Our school has not been given one of these labels. However, Shelby High School has achievement gaps among students who are English Language Learners and students who are economically disadvantaged. Shelby High School staff is implementing sheltered instruction strategies in all classrooms in order to eliminate these achievement gaps in upcoming years.

State law also requires that we report the following additional information:

1. Shelby High School is the only traditional high school in the district. Students are not assigned but come free from our communities.
2. Shelby High School is in the second year of the five year cycle for a school improvement plan.
3. Shelby High School students may choose to take courses at the Newaygo County Career Technical Center or attend programs available through West Shore Tech Center at both the West Shore and the Hart Campus during their eleventh and twelfth grade years, and all students have the ability to dual enroll at a variety of institutions throughout the state.

4. Parents have the ability to review curricular content upon request. Students receive a syllabus on the first day of class regarding class expectations and curricular content. All curriculum is aligned with Michigan Content Expectations and Common Core State Standards.
5. Shelby High School students all participate in the Michigan Merit Exam, which included the ACT test in the past, and is transitioning to the SAT test in the spring of 2016. Shelby High School's past ACT scores are at the state average.
6. Shelby High School held conferences each trimester last year, with spring conferences held on a scheduled basis. Although only 25% of parents attended conferences, parents regularly access grade information through the Power School Parent Portal, and many parents regularly e-mail teachers regarding classroom concerns.
7. Shelby High School was again recognized by US News and World Report as a Top High School (Bronze Award Winner for five years).

Should you have any questions about the report or have difficulty accessing the appropriate information, please feel free to contact me at schafa@shelby.k12.mi.us

Sincerely,

Fran Schamber
