Our Mission: Working hard to prepare ourselves for a productive future

March 1, 2017

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2015-2016 educational progress for New Era Elementary. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability and teacher quality. If you have any questions about the AER please contact Beth Pranger, New Era Elementary Principal, for assistance.

The AER is available for you to review electronically by visiting the following web site: <http://www.shelbypublicschools.net/> or you may review a copy from the main office at your child's school.

Though our student achievement data is showing growth in the number of students proficient in reading, writing, and math, New Era elementary continues to work hard to prepare each student for a productive future. There are several key initiatives in our school to accelerate student growth and achievement.

- All of New Era Elementary staff has been trained in SIOP (Sheltered Instruction Observation Protocol) strategies and methods. These research based strategies have been proven to help all learners be more successful.
- We implemented, in the 2015-2016 school year, new curriculum resources in the areas of reading, writing and math and continue to strive to use these resources to provide consistent instruction to our students.
- Title I, ESL, and Migrant support services for qualifying students
- Differentiated instruction for all students in reading and math
- Summer school opportunities for ESL and Migrant students
- After school and summer programming for students through a 21st Century grant (ASPIRE)

Our district has also contracted a curriculum consultant to help us address our curriculum needs including; vertical alignment and alignment to the Common Core State Standards.

The state requires us to report on the following information:

1. New Era Elementary is the only upper elementary school in the district. Students are not assigned to our building, but are free to enroll as residents of our district.
2. The School Improvement Plan has been updated for the 2015-2016 school year. It is a three year plan which includes goals, strategies, and activities in all core academic areas. It can be found under the AER section on our district webpage: <http://www.shelbypublicschools.net/>
3. New Era Elementary school does not have any specialized schools.
4. Parents have the ability to review curricular content upon request. Parents are given a Common Core State Standard guide during the first marking period at parent teacher conferences. All curriculums are based on the Common Core State Standards Curriculum.
5. New Era Elementary fourth and fifth grade students participate in the Michigan Education Assessment Program and MAP assessment (NWEA)

Grade Level	Fall 2015 MAP (NWEA) Reading Assessment: Mean number of students scoring average, high average, and high	Spring 2016 MAP (NWEA) Reading Assessment: Mean number of students scoring average, high average, and high	Fall 2015 MAP (NWEA) Math Assessment: Mean number of students scoring average, high average, and high	Spring 2016 MAP (NWEA) Math Assessment: Mean number of students scoring average, high average, and high

Thank you for your support during the 2015-2016 school year. Should you have any questions about this report, or difficulties accessing this information, please feel free to contact me at: pranb@shelby.k12.mi.us or 231 861-2662.

Sincerely,

Beth Pranger
