Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2015-16 educational progress for the Shelby Middle School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Mark Olmstead for assistance.

The AER is available for you to review electronically by visiting the following website:

<https://goo.gl/AWwQMN>

Or you may review a copy in our main office at your child's school.

The state has identified some schools with the status of Reward, Focus, or Priority. A Reward school is one that is outperforming other schools in achievement, growth, or is performing better than other schools with a similar student population. A Focus school is one that has a large achievement gap in 30% of its student achievement scores. A Priority school is one whose achievement and growth is in the lowest 5% of all schools in the state.

Our school has not been given one of these labels.

Key challenges for the school include closing the achievement gaps and addressing the learning needs of all our students in a manner that will allow more students to demonstrate higher levels of academic achievement. Data in the AER indicates that some of our subgroups are not performing as well as others.

To address the challenges noted above the school has introduced more elective classes that address academic content standards in language arts, mathematics, science, and social studies. Additionally, every student in sixth grade will be scheduled for an extra nine week marking period of core instruction in both language arts and mathematics over the course of the school year. Students in all three grade levels who are most at risk for failing to meet the state's academic standards will be assigned an extra period of mathematics or guided academics, as appropriate, over the course of the school year.

Shelby Middle School is the only school in the district that serves students in grades 6,7, and 8.

The school improvement plan has been updated to include student achievement goals in language arts, mathematics, science, and social studies.

Shelby Middle School does not have any specialized schools.

Parents can access a copy of the core curriculum, a description of its implementation, and an explanation of the variances from the state's model by contacting the school office.

Shelby Middle School began administering the NWEA Measures of Academic Progress (MAP) tests during the 2012-13 school year. The following chart displays the national norms (mean scores) and mean scores for Shelby Middle School.

	Fall		Winter

58% of middle school students were represented by a parent or guardian at parent teacher conferences in the 2016/17 school year. 65% of middle school students were represented by a parent or guardian at parent teacher conferences in the 2015-16 school year and 68% of middle school students were represented by a parent or guardian at parent teacher conferences in the 2014-15 school year.

The faculty and staff at Shelby Middle School appreciate the support of our parents, guardians, and the members of the community. Parents, guardians, and community members are encouraged to contact the school office whenever questions arise.

Sincerely,

Mark Olmstead
Principal
Shelby Middle School
