Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2014-2015 educational progress for the Thomas Read Elementary School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability and teacher quality. If you have any questions about the AER, please contact the new building Principal for assistance.

The AER is available for you to review electronically by visiting the following web site <http://www.shelbypublicschools.net/> or you may review a copy in our main office at your child's school.

Thomas Read Elementary has some challenges as we work hard to improve our overall math and reading scores on state wide assessments. Although we address the needs of each student during our intervention time that occurs twice a day, one subgroup that we are focusing on is our English language learners. **Our data shows that our ELL students are performing on average of 33% below their non-ELL peers.** We have improved our ESL program and offer a continuum of services to meet their unique needs. All of Thomas Read Elementary staff has been trained in SIOP strategies and methods. These research-based strategies have been proven to help all learners be more successful. Our district has contracted a curriculum consultant to help us address our curriculum needs and will assist in vertical alignment and alignment to the Common Core State Standards.

State law requires that we also report additional information.

1. Thomas Read Elementary is the only Kindergarten through third grade building in the district. Students are not assigned to our building, but are free to enroll as residents of our district.
2. The School improvement plan was just updated for the 2015-2016 school year. It is a 3 year plan.
3. Thomas Read Elementary has no specialized schools.

4. Parents can review curricular content upon request in the office. Parents are given a Common Core State Standard guide during the first marking period at parent teacher conferences. All curriculums are based on the Common Core State Standards Curriculum.

May 2014 results	NWEA READING  Percentages represent students performing at or above the expected national norms.	NWEA Math  Percentages represent students performing at or above the expected national norms.	2015 M-Step ELA	M-Step Math
