## 2019 BULLDOG BYTES CAMP @ RALEIGH, MS

### WHEN

July 15-19, 2019

### WHERE

Raleigh High School  
491 Magnolia Drive  
Raleigh, MS 39153

#### What is the objective of the Bulldog Bytes camp?

The Bulldog Bytes camp is a STEM effort that focuses on teaching students how to program computers using the Code.org paradigm. The lessons create an interactive experience for the students, providing a learning environment similar to playing video games and creating digital art. Ultimately, the students learn how to program robots to perform task based actions.

### APPLICATION PROCESS

- To apply, please go to <https://www.bulldogbytes.online/apply/>.
- Applications will be accepted from Monday, April 1 through Friday, April 26.
- All applicants must be entering 2<sup>nd</sup> through 8<sup>th</sup> grades for the 2019-2020 school year.
- By May 31, each applicant will be notified of whether they are accepted into the camp.

### **Interested in sponsoring this event?**

*Please contact Danielle Hamilton at (540) 413-6042 to learn more or to obtain a Sponsor Form.*

### FOR ADDITIONAL INFORMATION

- Please follow the “MSU Bulldog Bytes Camp - Raleigh, MS” page on Facebook.
- Any other questions or concerns regarding the camp may be directed to Danielle Hamilton at (540) 413-6042.

The 2018 Bulldog Bytes Camp in Raleigh was incredible! The students and teachers alike had a blast exploring the world of coding. We are so excited about this year's camp and all the wonderful experiences it will bring!
