# ACTION PROGRAM REMINDER

Dear Parents/Guardians:

The Southampton School #1 Action Program will begin on **Wednesday, October 19<sup>th</sup>**. We are excited to offer your child this additional learning opportunity as part of our Title I / Response to Intervention (RtI) program.

The goals of the Action Program are 1) to get students excited about reading by delving into topics of interest, 2) to help students gain confidence in their reading ability through the use of books on their own reading levels, and 3) to make learning fun for all students. 😊

The Action Program will run from October through May on Wednesdays and Thursdays. It will begin at 3:30 after dismissal and will end at 4:20. There is **no bus transportation** for this program, so we ask that you arrive promptly at 4:25 to pick up your child. Teachers will bring the students to the back entrance of School #1 under the canopy to be picked up. For those currently enrolled in the KinderCare program, it is open until 6PM in the School #1 All-Purpose Room, Monday through Friday. Teachers will take your child to after-care once the program finishes for the day. If you are interested in utilizing this option, please contact KinderCare directly at (609) 953-9111.

Please review the enclosed Action Program calendar. It has all of the dates for the program highlighted in green and includes information at the bottom regarding teachers and students who may be absent on a program day.

We look forward to continue working with your child and thank you for partnering with us as we begin this new and exciting program!

Sincerely,

*Brianna L. Chapin*
