THE SPOTSWOOD BOARD OF EDUCATION EXTENDS SUPERINTENDENT ROCCO'S CONTRACT

SPOTSWOOD, NJ - At its meeting of October 14, 2014, the Spotswood Board of Education voted to extend the contract of Dr. Scott Rocco, Superintendent of the Spotswood School District, through June 30, 2019. According to Board President Donna Faulkenberry, "We are extremely pleased with Dr. Rocco's intelligent, thoughtful and caring approach to our students, staff and community. He has shown strong leadership and a vested commitment to our district."

Mrs. Faulkenberry went on to say, "Dr. Rocco has brought forth creative solutions and innovative initiatives to assist our teachers and improve learning at a time where budget constraints barely allow schools to implement state educational mandates. We are happy to give him the opportunity to continue to improve the educational experience of our students, as well as provide consistent leadership for our district."

Dr. Rocco stated, "Spotswood has become a second home to me. I appreciate the Board of Education extending my contract to continue the educational, technology and facility initiatives started during my first two years. But most of all, I appreciate the opportunity to continue to work with the outstanding teachers, staff, students, parents and community members in Spotswood."
