SPOTSWOOD HIGH SCHOOL SENIORS SIGN COMMITMENT LETTERS

SPOTSWOOD, NJ - On Tuesday, November 17, 2015, five Spotswood High School graduating seniors signed their commitment letters with colleges and universities. They are Alexandra Coghlan - Towson University (Track and Field); Matthew Krause - American International College (Baseball); Kaitlyn Mulcahy - Wagner College (Swimming); Alexa Raba - Felician College (Softball) and Katherine Wasserman - Columbia University (Track and Field).

“Congratulations, senior athletes, and to your families for your amazing accomplishments during your Spotswood High School careers. Good luck to you all in these future endeavors”, Athletic Department Chair, William Visokay stated. Superintendent of Schools, Scott Rocco stated, “On behalf of the Board of Education, congratulations! We are all proud of you! Your perseverance and commitment are evident and have established the foundation which will follow you throughout the academic years ahead.”

“As the Principal of Spotswood High School, I cannot be more proud as I am of these five outstanding seniors. They are the epitome of what it means to be a student athlete. Each one of them work extremely hard in their academics as well as excelling in Athletics. Above all, they are leaders and role models and are excellent representatives of our High School. I am confident that they will meet with success in college and in life,” stated Principal, Tom Calder.

Track and Field Coach Roland D’Orvilliers stated, “Ally has natural ability and practice and competition intensity. But it is her work ethic that has been the major contributor to her success. I am pleased to see her efforts being rewarded with the opportunity to compete at the next level of her academic career at Towson University.

Kate possesses the desire and dedication to attain the highest possible levels of success not only in athletics but also academically. I sincerely believe that her signing of her Letter of Intent to attend

Columbia University and participate in their cross country track and field program is a reflection of those qualities.”

Baseball Coach Glenn Fredricks said, “Matt has been a fantastic player for our program for 3 seasons. His commitment to play baseball and continue his scholar athlete career at Division 2 American International College proves that hard work truly does pay off. Matt is an outstanding talent, fine leader and reliable teammate. We always ask our players at SHS to leave the program in a better place than when they got here. Matthew has most certainly done that through his performance on the field and his dedication to his teammates, coaches and school off of the field. AIC is getting a fine player and an even better young man and the Charger Baseball family wishes him the best of luck.”
