

The New Jersey Principals and Supervisors Association (NJPSA) is pleased to announce that Lisa Milburn of Milltown is among the 25 graduating seniors in New Jersey who have been awarded 2014-2015 Student Leadership Scholarships.

Each Student Leadership Scholarship carries a \$2,000 award for the recipient's demonstrated leadership in school activities for participation in co-curricular activities other than athletics. Winners are selected from each of the three regions of our state – north, central, and south.

Each applicant submits a one-page essay on the topic "The Importance of Student Involvement in School Activities." The applicant must also provide a résumé indicating leadership positions they have held and their contributions to their school while in these positions. In addition, two letters of recommendation are submitted, one each from the principal and an activities advisor.

Lisa serves as class president at Spotswood High School, student board of education representative, captain of the soccer team, and captain of the basketball team. She is also a member of the St. Paul's Senior Youth Group, a mentor for the Heroes and Cool Kids program, and president of the Prom Committee.

Under the direction of NJPSA Assistant Executive Director Chuck Stein, The Student Activities Committee of NJPSA reviewed all applications and selected the winners. "This year's applications were among the most impressive we have ever seen," said Stein. "I am always impressed by the level of dedication and commitment these students demonstrate to their chosen activities. I have no doubt that these future leaders of society will realize tremendous success, and NJPSA is proud to recognize their contributions in this way."

A luncheon was held at NJPSA on May 19 to honor the scholarship recipients.
