lain "Yes" answers below. Circle questions you don't know the an	swers to	0.			
NERAL QUESTIONS	Yes	No	MEDICAL QUESTIONS	Yes	No
. Has a doctor ever denied or restricted your participation in sports for			26. Do you cough, wheeze, or have difficulty breathing during or		
any reason?			after exercise? 27. Have you ever used an inhaler or taken asthma medicine?		
. Do you have any ongoing medical conditions? If so, please identify below: ☐ Asthma ☐ Anemia ☐ Diabetes ☐ Infections			28. Is there anyone in your family who has asthma?		
Other:			29. Were you born without or are you missing a kidney, an eye, a testicle		
. Have you ever spent the night in the hospital?			(males), your spleen, or any other organ?		
. Have you ever had surgery? EART HEALTH QUESTIONS ABOUT YOU	Yes	No	30. Do you have groin pain or a painful bulge or hernia in the groin area? 31. Have you had infectious mononucleosis (mono) within the last month?		
. Have you ever passed out or nearly passed out DURING or	162	NO	32. Do you have any rashes, pressure sores, or other skin problems?		
AFTER exercise?			33. Have you had a herpes or MRSA skin infection?		
. Have you ever had discomfort, pain, tightness, or pressure in your chest during exercise?			34. Have you ever had a head injury or concussion?		
. Does your heart ever race or skip beats (irregular beats) during exercise?			35. Have you ever had a hit or blow to the head that caused confusion,		
Has a doctor ever told you that you have any heart problems? If so,			prolonged headache, or memory problems? 36. Do you have a history of seizure disorder?		-
check all that apply:			37. Do you have headaches with exercise?		-
☐ High blood pressure ☐ A heart murmur ☐ High cholesterol ☐ A heart infection ☐ Kawasaki disease Other:			38. Have you ever had numbness, tingling, or weakness in your arms or legs after being hit or falling?		
. Has a doctor ever ordered a test for your heart? (For example, ECG/EKG, echocardiogram)			39. Have you ever been unable to move your arms or legs after being hit or falling?		
Do you get lightheaded or feel more short of breath than expected during exercise?			40. Have you ever become ill while exercising in the heat?	-	-
. Have you ever had an unexplained seizure?			41. Do you get frequent muscle cramps when exercising? 42. Do you or someone in your family have sickle cell trait or disease?		\vdash
2. Do you get more tired or short of breath more quickly than your friends			43. Have you had any problems with your eyes or vision?		-
during exercise?			44. Have you had any eye injuries?		
EART HEALTH QUESTIONS ABOUT YOUR FAMILY	Yes	No	45. Do you wear glasses or contact lenses?		
8. Has any family member or relative died of heart problems or had an unexpected or unexplained sudden death before age 50 (including drowning, unexplained car accident, or sudden infant death syndrome)?			46. Do you wear protective eyewear, such as goggles or a face shield? 47. Do you worry about your weight?		
Does anyone in your family have hypertrophic cardiomyopathy, Marfan			48. Are you trying to or has anyone recommended that you gain or		
syndrome, arrhythmogenic right ventricular cardiomyopathy, long QT syndrome, short QT syndrome, Brugada syndrome, or catecholaminergic			lose weight? 49. Are you on a special diet or do you avoid certain types of foods?	-	\vdash
polymorphic ventricular tachycardia?			50. Have you ever had an eating disorder?		\vdash
5. Does anyone in your family have a heart problem, pacemaker, or implanted defibrillator?			51. Do you have any concerns that you would like to discuss with a doctor?		
6. Has anyone in your family had unexplained fainting, unexplained			FEMALES ONLY		
seizures, or near drowning?			52. Have you ever had a menstrual period?		
ONE AND JOINT QUESTIONS	Yes	No	53. How old were you when you had your first menstrual period?		
7. Have you ever had an injury to a bone, muscle, ligament, or tendon that caused you to miss a practice or a game?			54. How many periods have you had in the last 12 months?		
B. Have you ever had any broken or fractured bones or dislocated joints?			Explain "yes" answers here		
Have you ever had an injury that required x-rays, MRI, CT scan, injections, therapy, a brace, a cast, or crutches?					
). Have you ever had a stress fracture?					
 Have you ever been told that you have or have you had an x-ray for neck instability or atlantoaxial instability? (Down syndrome or dwarfism) 					
2. Do you regularly use a brace, orthotics, or other assistive device?					
3. Do you have a bone, muscle, or joint injury that bothers you?					
4. Do any of your joints become painful, swollen, feel warm, or look red?			ļ , 		
5. Do you have any history of juvenile arthritis or connective tissue disease?	L
