

The SJRCS “Great-4-Business Partnership Program” is an effort to engage the business community in the education of nearly 600 students in Frederick, MD.

St. John was established in 1829, and is the largest private school in the area for grades Pre-K to eight.

Our business partnership consists of **4 great ways** that businesses can give back to the Frederick school community (*see them inside!*). We would like our partners to receive a better “**Return on Investment**” through this program.

Your business will benefit in the following ways:

- Publicity campaigns throughout the school and extended community
- Highlighted as a partner at all SJRCS events
- Media coverage
- Recognition in SJRCS newsletters and website
- Doing your part to enhance Workforce Development in Frederick County
