

SUMTER COUNTY SCHOOLS COVID-19 DATABASE

The Sumter County Schools COVID-19 Dashboard provides our families and community with the most recent dates buildings were affected by COVID-19 as well as the total number of quarantined individuals and positive cases for each school and other district offices.

Positive cases are analyzed on an individual basis, and Sumter County Schools' personnel will respond to these situations by following guidance from the Alabama Department of Public Health.

The data in this table is updated weekly and reflects the most current information: [April 29, 2023- May 5, 2023](#)
