Budget Estimate for Improvements & Repairs

YORK WEST END JUNIOR HIGH	COST
Architectural	\$7,580,000
Structural	\$ 222,000
Mechanical / Plumbing	\$1,058,975
Electrical	\$2,274,000
Total	\$11,134,975

KINTERBISH JUNIOR HIGH	COST
Architectural	\$4,800,000
Structural	\$ 184,000
Mechanical / Plumbing	\$ 948,000
Electrical	\$1,440,000
Total	\$7,372,000

LIVINGSTON JUNIOR HIGH	COST
Architectural	\$8,290,000
Structural	\$ 293,000
Mechanical / Plumbing	\$1,865,550
Electrical	\$2,487,000
Total	\$12,935,550

*For Roofing Replacements, the following figures can be used for estimating purposes.

*Low-slope re-roofing budget is \$25/sq ft.
Metal Roofing replacement budget is \$35/sq ft.
Shingle roofing replacement budget is \$7/sq ft.*

These budgets allow for most roofs to be replaced. They are assuming sound structure and substrate. Detailed roof inspection and cost analysis is required at the time of roof replacement to ensure accurate budgeting.
