## Greetings Parents and All Stakeholders

Due to the rapid increase of positive COVID-19 cases among students, faculty, and staff throughout all of Sumter County Schools, we will transition to remote learning. All of Sumter County Schools will begin providing the technology and other instructional materials necessary for the remote learning process to our students on Friday January 7, 2022. The remote learning process will begin on Monday January 10, 2022 and continue through Friday January 21, 2022.

During this time, all Sumter County School System employees will continue to report to their work sites, and all teachers will provide instruction to our students from their classrooms. Also, during this time, the Sumter County School System will deliver meals to all of our students.

Students will return to in person learning on Monday January 24, 2022. Please continue to pay attention to any updates from your child's school or from the central office. Also, please continue to do all that you can to keep yourselves and others safe during these troubling times.

Thank you and please be safe.

Anthony L. Gardner, Ed.D.

Superintendent
