

Sunflower County Consolidated School District

Steps for 100% Virtual Options

- 1. Register child at his/her home school. Parents must wear a mask & practice social distancing, present two (2) proofs of residency, a valid email address & phone#, along with a valid MS ID (this may serve as a proof).**
- 2. A code will then be given to parent to complete online registration using *ActiveParent*.**
- 3. If 100% virtual learning is the desired option for academic learning, complete a Virtual Learning Waiver form and return to secretary or counselor. These forms are available at the school.**
- 4. Parents will then be contacted to review virtual learning expectations and daily schedule.**
