Custodian for the Central  
Office and Administration  
Building

***What is your job and what are your responsibilities?***

I am the custodian for the Central Office and Administrative Office. I am responsible for maintaining the cleanliness of the buildings for those who work or visit there.

***What do you like the most about your job?***

I get the opportunity to do more than clean up. I get to meet different people and also work every day between two buildings.

***What makes SCCSD so special?***

I went to school in this district. My children went to school in Sunflower County. We have good teachers in this district that care. We also have a Superintendent that wants the best for all of us.

***What message/advice/words of wisdom would you give to our children?***

Stay in school. Learn all you can learn. Respect yourself and others. Always try to follow the rules and do your best at all times!
