The following information is provided to acquaint you with the rules, regulations and responsibilities involved in student transportation. Your cooperation will help considerably in transporting your child.

BUS STOP PROTOCOL

Students are expected to act in a safe and orderly manner at designated school bus stops. Never approach the bus until it comes to a complete stop and the doors open. Students should wait safely out of roadways.

PICK-UP & DROP-OFF

Pick-up times & stops are posted in the local paper before the school year begins and are available on our web site. Students should be at their school bus stop five (5) minutes prior to stop time. If your child is not ready the bus will proceed to the next stop. Pre-school, kindergarten and 1st grade must be supervised by an adult at pick-up and drop-off.

Unauthorized adults are not allowed to board the bus.

ROUTES & CHANGES

The bus driver is not authorized to make any adjustments or changes in his/her route. Please address any changes to the transportation department. Students will not be permitted to leave the bus at any point other than their designated bus stop unless they have a note signed by their parent, guardian or school official.

UNDELIVERABLES

An “undeliverable” is a student who cannot be delivered to their bus stop because an authorized adult is not present to receive the child.

A parent or authorized adult **MUST** be present to receive preschool, kindergarten and 1st grade students when they are delivered. If no adult is present, child will be returned to their school site. Exceptions to this policy can only be made by the District.

PROHIBITED ITEMS

Skateboards, skis, snowboards, hockey sticks, golf clubs and hazardous materials are prohibited. Materials required for class or school functions that are too large to fit on the students lap must be transported by the parent. No pets allowed.

LOST ITEMS

The TTUSD Transportation Department assumes no responsibility for lost items. Every effort will be made to locate such items and return them to their rightful owner. In the event of lost items, please check with school, bus driver and the transportation department.

SPECIALIZED TRANSPORTATION

The following applies to Special Needs Students.

Illness/Absences: Notify the transportation department if your child is ill. If your child is absent in the am and requires pm transportation please notify transportation by 9:00am. 550-0745

Temporary changes are not accepted. An authorized adult must be present at the designated bus stop at pick-up & drop-off times.

Long term changes must be arranged ten (10) days in advance with the child’s teacher who will then notify the transportation department. Exceptions to this policy can only be made by the District.

Absence of an authorized adult to receive a child may result in the child being returned to their school site.
