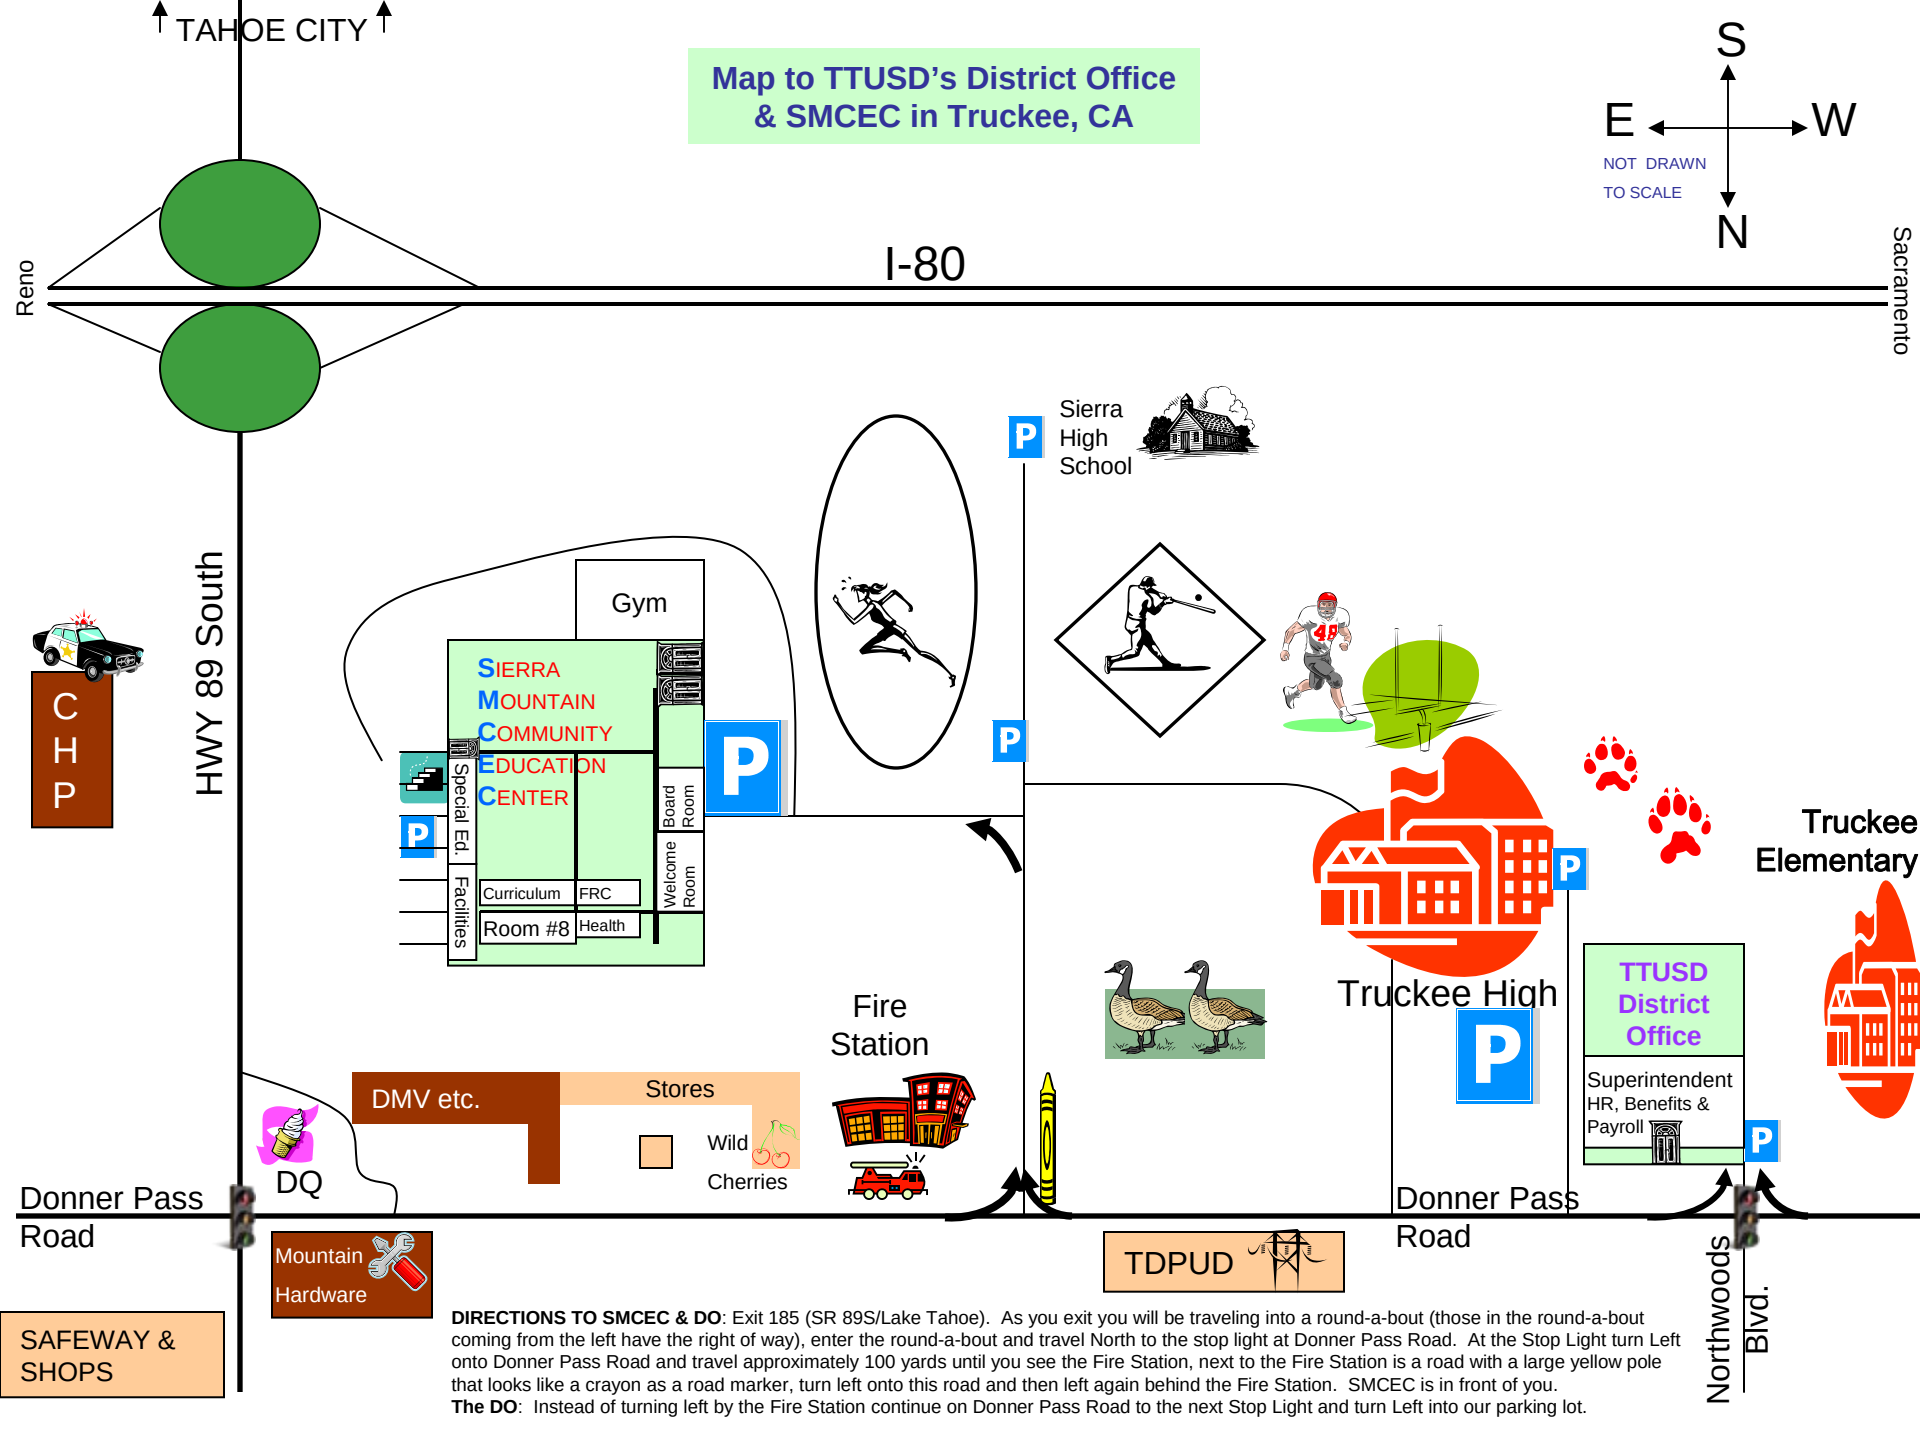
Map to TTUSD's District Office & SMCEC in Truckee, CA



DIRECTIONS TO SMCEC & DO: Exit 185 (SR 89S/Lake Tahoe). As you exit you will be traveling into a round-a-bout (those in the round-a-bout coming from the left have the right of way), enter the round-a-bout and travel North to the stop light at Donner Pass Road. At the Stop Light turn Left onto Donner Pass Road and travel approximately 100 yards until you see the Fire Station, next to the Fire Station is a road with a large yellow pole that looks like a crayon as a road marker, turn left onto this road and then left again behind the Fire Station. SMCEC is in front of you.
The DO: Instead of turning left by the Fire Station continue on Donner Pass Road to the next Stop Light and turn Left into our parking lot.
