

K-12 Student Behavioral Threat Assessment
Administrator Academy #990
June 29, 2017
Creve Coeur, IL
ROE 53

Application Dissemination

Each participant will:

- 1) Choose a threat assessment model (from those presented);
- 2) Design a formal process with step-by-step procedures and decision-makers identified (narrative or flow chart); and
- 3) Write a narrative (that may be used in presentation to a school board for adoption of a policy) explaining his or her school district policy and corresponding administrative procedures/regulations that will support the threat assessment process.

Instructions:

The homework is due by July 07, 2017. Email the completed homework to Jeff Ekena at:
