

Educational Internet Publishing Signature Form

Dear Parent and Guardian,

As you may or may not know, our school publishes a web page on the Internet. Publishing a web page is similar to publishing a newspaper with text and/or pictures. Just as anyone may read an article in a newspaper, anyone with access to a computer and the Internet may read our web pages.

The Tazewell County School Board has adopted a web publishing policy, which is a set of guidelines governing what may and may not be included on school web pages. We have attached a copy of the policy to this letter. In accordance with this policy, neither a photograph of a student nor any example of his/her work may be added to the web page without prior consent from a parent or legal guardian.

School web pages are public documents welcoming the outside world to the school. The Tazewell County School Board has approved the guidelines for school web pages. The information included on the web pages must support the educational goals of the school system. The web page's main purpose is to introduce outside visitors to the school, its programs, and the achievements of the students. We hope that the proposed web pages will meet these criteria and that you will allow your child's picture or work to be included.

Permission to display student photographs and/or work extends from the beginning of the year permission is given until September 15 of the following year unless a parent/guardian requests otherwise in writing.

Sincerely,

Principal
