2 This policy shall apply to Sponsors and potential Sponsors of newly created public charter schools. It

4 13-106 (b) (2).

5 DEFINITION

6 A charter school shall be a public, nonsectarian, non-religious, non-home based school which operates
7 within a public school district. It shall be subject to all state and federal laws and constitutional
8 provisions prohibiting discrimination on the basis of disability, race, creed, color, gender, national
9 origin, religion, ancestry or need for special education services.¹

10 The purposes of charter schools are to:²

- 11 (1) Improve learning for all students and close the achievement gap between high and low students;
- 12 (2) Provide options for parents to meet educational needs of students in high priority schools;
- 13 (3) Encourage the use of different and innovative teaching methods, and provide greater decision
14 making authority to schools and teachers in exchange for greater responsibility for student
15 performance;
- 16 (4) Measure performance of pupils and faculty, and ensure that children have the opportunity to reach
17 proficiency on state academic assessments;
- 18 (5) Create new professional opportunities for teachers; and
- 19 (6) Afford parents substantial meaningful opportunities to participate in the education of their children.

22 prior to April 1 of the year preceding the year in which the proposed charter school plans to begin
23 operation as a public charter school.

24 A sponsor seeking Board approval of an initial charter school application must complete the form
25 provided by the Tennessee Department of Education as well as provide a list of requirements that the
26 sponsor wants to waive. In the application, the sponsor must demonstrate that the proposed charter
27 school meets the purposed prescribed by law for the formation of a charter school and the proposed

1 charter school will be able to implement a viable program of quality education for its students. In the
2 case where a traditional public school is seeking to convert to a charter school, the application must
3 include documents showing the necessary parental or teacher support.

4 Applications must be submitted to Board on or before 4:30 p.m. on April 1 of the year preceding the
5 year in which the proposed charter school plans to begin operation as a public charter school.
6 Applications will be accepted only between March 1 and April 1. If the 1st of April falls on a Saturday,
7 Sunday or holiday on which the school district offices are closed, applications will be accepted on the
8 previous business day on or before 4:30 p.m. Late applications will not be accepted, without exception.
9 The sponsor shall pay an application fee of \$500.00.

10 **REVIEW TEAM**

11 If necessary, the Board shall appoint a review team to assist in reviewing and evaluating charter school
12 applications. The team shall be composed of: members of the administrative staff for the district;
13 community members; and a member of the Board. At the Board meeting in February each year, the
14 Superintendent shall make a recommendation to the Board of which members of his administrative
15 staff should be appointed to the team. The Board shall name the members of the team at its meeting in
16 March of each year. The Board shall designate a chairman of the review team as the contact person for
17 answering questions about the application process and receiving applications.

18 The Board shall require a procedure of receiving, reviewing and ruling on applications for the
19 establishment of charter schools. The procedure must include a timeline for the application and review
20 process and the means for reviewing and evaluating each application, including the criteria on which
21 the decision to grant or deny a charter will be based. A copy of the procedure, including the review
22 criteria, shall be available to any interested party upon request.

23 The review team shall:

- 24 1. Evaluate all charter school applications based on the review criteria adopted by the Board;
- 25 2. Recommend one of the following options to the Board for each application: approve, reject, or reject
26 with stipulations for reconsideration;
- 27 3. Monitor charter school progress; and
- 28 4. Make recommendations for revocation, renewal or non-renewal of charter contracts.

29 **APPROVAL, DENIAL OF APPLICATION**⁴

30 The Board shall rule by resolution on the approval or denial of a charter application within ninety (90)
31 days of receipt of the completed application or the application shall be deemed approved by law.

32 **Approval**

33 If the application is approved, the Sponsor may proceed to negotiate a charter agreement with the
34 Board through its designee within the district administration. The Sponsor of a public charter school
35 that is approved by the Board shall enter into a written agreement with the Board, which shall be

1 binding on the charter school's governing body. This agreement, known as the charter agreement, shall
2 be in writing by the Tennessee Department of Education as well as provide a list of requirements that
3 the sponsor wants to waive. In the application, the sponsor must demonstrate that the proposed charter
4 school meets the purpose prescribed by law for the formation of a charter school and the proposed
5 charter school will be and shall include all aspects of the Sponsor's approved application as well as any
6 reporting requirements prescribed under state or federal laws.⁵

7 To warrant adoption, charter schools must promote and implement new and innovative practices and
8 conditions in delivering public education not typically found in traditional public schools. All charter
9 schools that include high schools (grades 9-12) must be SACS accredited. It is expected that the
10 candidate school status for accreditation will be received during the first year of the charter school
11 operation.

12 Charter schools approved by the Board of Education are expected to implement the application as
13 submitted and approved. Substantial deviations from the approved application may result in revocation
14 of the Charter by the Board.

15 Charter schools approved by the Board are expected to operate with knowledge of and compliance
16 with all rules, regulations, statutes and policies relevant to that charter school's operations; including
17 but not limited to instruction, human resources, communication, administration, business services,
18 facilities and operations, transportation, food services, safety and student discipline. The Board should
19 not be expected to provide services to charter schools that are not requested during the application
20 process except for those services that are required under state or federal laws. Services agreed to be
21 provided to the charter schools by the Board shall be provided at Board actual cost.

22 The Governing Body of an approved public charter school shall make a written report to the Board
23 annually between August 1 and September 1. This reporting requirement shall begin in the year after
24 the year in which the public charter school begins operation. This annual report shall include: a report
25 on the progress of the school in achieving its goals, objectives, pupil performance standards, content
26 standards, and all other terms of the charter agreement; and a financial statement disclosing the
27 financial health of the school including the costs of the administration, instruction and other spending
28 categories of the school.⁶

29 New public charter schools, conversion schools, and all renewals of charter agreements are approved
30 for ten year periods. However, following the fifth year of a charter school's initial period of operation
31 or the fifth year of any renewal of a charter school agreement, the LEA must conduct an interim review
32 of the charter school according to the guidelines developed by the Department of Education.

33 No later than October 1 of the year prior to the year in which the charter agreement expires, the
34 governing body of a public charter school shall submit a renewal application to the Board. The Board
35 shall make its renewal decision based on the progress of the school towards its stated goals and on the
36 financial status of the school.⁷

37 The Board may revoke or deny renewal of a public charter school agreement for any of the reasons
38 enumerated in TCA 49-13-122.

39

1 Denial

2 Upon receipt of the grounds for denial, the sponsor shall have thirty (30) days within which to submit
3 an amended application to correct the deficiencies. The Board shall have thirty (30) days either to deny
4 or to approve the amended application or the application shall be deemed approved by law.⁴

5 A denial of an application by the Board may be appealed by the sponsor, within ten (10) days of the
6 final decision to deny to the State Board of Education.
