1 In the event of inclement weather or an unforeseen emergency, the Superintendent, with input from
2 the Director of Transportation, shall make a decision about school attendance. This deci-
3 sion shall be announced by the parent/school communication system, posted on the system's website
4 www.k12k.com, broadcast on the school system's radio station, WCSK FM 90.3, and will be provided
5 to other local media outlets.
6

7 Irrespective of the Superintendent's decision to close schools, the final decision concerning a
8 student's attendance on days with extreme weather conditions rests with the parent or guardian.
9

10 On days when schools are closed for inclement weather, teachers and staff whose daily work schedule
11 is coextensive with the student calendar are not required to report to work. On days when the daily
12 schedule is altered, all employees are required to report to school at the regular time unless otherwise
13 noted.
