

Hardeman County Board of Education

Monitoring: Review: Annually, in October	Descriptor Term: Risk Management	Descriptor Code: 3.204	Issued Date: 12/16/99
		Rescinds: EBBF	Issued: 07/21/95

1 It shall be the responsibility of the director of schools to develop an appropriate safety program for the
2 school system. The Board shall provide sufficient staff and budget for its implementation.

3
4 The Board shall designate a professional staff person who shall be responsible for the promotion and
5 development of a prevention and safety education program for students and personnel employed by the
6 school system. This person shall be given authority and title commensurate with the task and shall answer
7 directly to the director of schools. The general areas of responsibilities include, *but are not limited to*,
8 in-service training, development of accident prevention procedures, accident record keeping and facility
9 inspection, driver education, vehicle safety programs, fire prevention, emergency preparedness plan and
10 traffic safety problems related to employees, students and the community.
