

Hardin County Board of Education

Monitoring: Review: Annually, in October	Descriptor Term: Risk Management	Descriptor Code: 3.204	Issued Date: 11/05/08
		Rescinds: 3.204	Issued: 06/09/08

1 It shall be the responsibility of the director of schools to develop an appropriate safety program for
2 the school system and to comply with the guidelines developed by Risk Management Trust in order to
3 qualify for applicable premium discounts. The Board shall provide sufficient staff and budget for its
4 implementation.

5
6 The building level principal shall designate a professional staff person who shall be responsible for the
7 promotion and development of a prevention and safety education program for students and personnel
8 working in their school. This person shall be given authority and title commensurate with the task
9 and shall answer directly to the director of schools. The general areas of responsibilities include, *but*
10 *are not limited to*, in-service training, development of accident prevention procedures, accident record
11 keeping, facility inspection.
