

# Scott County Board of Education

Monitoring: <b>Review: Annually, in November</b>	Descriptor Term:  <b>Special Education</b>	Descriptor Code: <b>4.202</b>	Issued Date: <b>08/08/96</b>
		Rescinds:	Issued:

1 The Board shall provide access to a free appropriate public education to all disabled children ages 3-21,  
2 inclusive, residing within the jurisdiction of the school system. The plan for implementation of appro-  
3 priate instruction and special education services shall be in accordance with the current *Rules, Regulations,*  
4 *and Minimum Standards* of the State Board of Education,<sup>1</sup> and state<sup>2</sup> and federal<sup>3</sup> law.

5  
6 The Board shall develop and periodically update a local plan for providing special education services for  
7 disabled students. Specifically, the Board assures that:

- 8  
9 1. All disabled children living within the school system have available to them a free, appropriate  
10 public education which emphasizes special education and related services to meet their unique  
11 needs; and  
12 2. The rights of disabled children and their parents are protected.

13  
14 The plan shall aim toward meeting the following objectives:

- 15  
16 1. To carry out a comprehensive screening and assessment plan emphasizing the early identification  
17 and evaluation of disabled students.  
18 2. To use the Multidisciplinary Team (M-Team) for reviewing assessment, formulating program-  
19 ming, and determining placement for every disabled student, including review of proposed  
20 suspensions when appropriate, in accordance with the State Board of Education *Rules, Regula-*  
21 *tions, and Minimum Standards;*  
22 3. To ensure that placements are made which educate disabled children with non-disabled to the  
23 maximum extent appropriate in the schools these children would normally attend if not disabled  
24 and with age-appropriate peers;  
25 4. To provide each disabled child with an individual educational program (IEP) specifically designed  
26 to meet his unique needs;  
27 5. To provide continuing evaluation of each disabled child's progress, including at least annual  
28 review of his IEP and complete re-evaluation at least every three (3) years;  
29 6. To ensure that procedural safeguards required by state and federal laws are adhered to; and  
30 7. To involve parents of disabled children in a meaningful dialogue with school personnel which will  
31 begin with initial referral and continue throughout the student's educational career.
