1 **ONLINE/BLENDED LEARNING COURSES**

2 Greeneville City School students may earn academic credits to be applied toward graduation
3 requirements by completing online and blended courses approved by the Board of Education or their
4 designee. Under ordinary circumstances, students or their parents/guardians shall pay for approved
5 courses.

6 **ENROLLMENT IN COLLEGE LEVEL COURSES¹**

7 High schools may enter into agreements with institutions of higher learning to provide both high
8 school and college credit for selected courses.

9 Students who have met the following criteria will be eligible for enrollment in dual credit and dual
10 enrollment programs.

- 11 1. Greeneville High School grade point average of 3.0
- 12
- 13 2. ACT composite as required by participating secondary institutions
- 14
- 15 3. Completed college application and acceptance by college

16 Procedures for enrolling in dual credit and enrollment shall be made available to students upon
17 enrollment and shall be on file in the guidance office at Greeneville High School.

18 The Board shall not be responsible for transportation to and from the college or payment of tuition.

19 **ACCELERATED AND ADVANCED CREDIT**

20 Students enrolled in grades 9-12 who have taken the equivalent of high school level courses in the
21 middle grades may earn high school credit toward graduation, except in US History, under the
22 following guidelines.^{2,3}

- 23 1. Students will be given the appropriate End of Course Exam (when applicable) that is
24 required for students in grades 9-12.
- 25
- 26 2. Students enrolled in these courses in middle grades should be graded on the same scale as
27 high school students as set forth in the Uniform Grading Policy.
