1 INSTRUCTIONAL SUPPLIES

2 Each year, each principal shall appoint teachers within his/her school to serve on an Instructional
3 Supplies Committee. This Committee shall determine how to spend the pooled dollars that have been
4 allocated for instructional supplies. The purpose of this pool is to purchase items or equipment for the
5 benefit of all teachers at the school and the enhancement of the instructional program. The pool shall
6 not be used for basic building needs such as HVAC, carpets, furniture, items or equipment for the
7 teachers' lounge, or the like.¹
