19 quests for use of Career Level III personnel for more than ten (10) days a year on a case-to-case basis.³
20 Such requests will be approved by the Board upon recommendation of the director of schools. The
21 director of schools is empowered to grant such permission if time does not permit Board consideration.
22 However, the director of schools will report each request for use of a Career Level III employee for
23 more than ten (10) days to the Board at its next regular meeting.
