Teacher Effect Data will not be a public record and will be made available only to the specific parties designated by law. The Board designates the Superintendent of Schools, Assistant Superintendent, Chief Human Resources Officer, Director of Secondary Education, Director of Elementary Education, and Director of Performance Excellence and each respective building principal as the appropriate administrators to distribute, review and keep secure the administrator's copies of the teacher effect data.

The guidelines for distribution, security and application of the teacher effect data will be kept on file in the central office and will be given to the teacher, the assigned administrator and all school board members and shall become an administrative procedure to be up-dated as needed by the Superintendent of Schools.
