Monitoring: <b>Review: Annually, in February</b>	Descriptor Term: <b>Staff Positions</b>	Descriptor Code: <b>5.116</b>	Issued Date: <b>06/04/15</b>
		Rescinds:	Issued:

## 1 CREATION OF POSITION

2 All staff positions shall be approved through the budget process in accordance with an organizational  
3 plan submitted by the director of schools.<sup>1</sup> Before an additional position is established, the director of  
4 schools shall present to the Board a job description, qualifications, performance responsibilities and the  
5 method by which the performance of these responsibilities will be evaluated.

6 The director of schools may revise the organizational plan as long as budgetary amounts are not  
7 exceeded and board policy is not violated. In the event of reorganization, the director of schools shall  
8 adhere to all applicable reduction in force guidelines and shall inform, in a timely manner, the Board of  
9 the change and include the change in the director's report at the next board meeting. If changes in  
10 personnel create additional encumbrances on a future budget, prior approval of the Board is required.

## 11 REDUCTION IN FORCE

12 When it becomes necessary to reduce the number of positions in the system because of a decrease in  
13 enrollment or for other good reasons, the Board shall abolish the positions. The Board or the director  
14 of schools, as appropriate, shall dismiss such employees as may be necessary.<sup>2</sup>

## 15 Licensed Personnel

16 Reductions in staff shall be made in an attempt to have the least detrimental effect on children. In  
17 general, this objective dictates a staff reduction policy which:

- 18 1. Retains the most effective teachers;
- 19 2. Avoids undue increases in class size; and
- 20 3. Provides consideration for the exceptional teacher without exclusive emphasis on seniority.

21 The elimination of a position does not necessarily mean the person occupying the position will be dis-  
22 missed. When an employee is released, the director of schools shall make the decision based upon a  
23 composite of the following criteria:

- 24 1. Effectiveness in teaching and in related professional responsibilities evidenced by teacher  
25 evaluation;
- 26 2. Adaptability to other assignments (academic and extracurricular);
- 27 3. Evidence of professional growth as well as specialized or advanced training;

1 4. Previous history of grade levels and subject areas taught; and

2 5. Type, length and quality of service made to the teaching profession and the school system.

3 When a teacher is released because of reduction in staff, the teacher shall be given written notice of  
4 release explaining the circumstances or conditions making dismissal necessary.

#### 5 **Non-Licensed Personnel**

6 When a non-licensed employee is released because of a reduction in the number of support positions,  
7 the director of schools shall give the employee written notice of dismissal explaining the circumstances  
8 or conditions making termination of employment necessary.<sup>3</sup>

9 The contract of each non-licensed employee shall contain a statement regarding the reduction in force  
10 policy.

#### 11 **RECALL**

12 The director of schools shall maintain a preferred re-employment list for tenured teachers whose  
13 position is abolished.<sup>3</sup> The fitness of any teacher for re-employment shall be determined on the basis of  
14 the teacher's competence, compatibility and suitability to properly discharge the duties required by the  
15 position with consideration for the best interests of the students in the school where the vacancy  
16 exists.<sup>2</sup>

17 It shall be the responsibility of the separated teacher to notify the director of schools in writing of  
18 his/her availability and current address. A professional employee who is placed on the preferred re-  
19 employment list and subsequently refuses the offer of a comparable position shall be removed from the  
20 preferred list.<sup>4</sup>

21 Any teacher who has been on the preferred list for re-employment for two (2) consecutive years shall,  
22 by April 1 of the second consecutive year, receive notice that the teacher's name shall be removed from  
23 the list. The director shall send the notice to the last known address of the teacher. A teacher who  
24 wishes to remain on the preferred list for re-employment after the second year shall notify the director  
25 of schools in writing by April 15 of the second year and each subsequent year of his or her desire to  
26 remain on the preferred list for re-employment.<sup>4</sup>

27 Employees returning from lay-off shall have all previously accrued sick leave and years of service re-  
28 instated, but they shall not receive benefits for the period of the layoff.
