PROFESSIONAL PERSONNEL

A teacher shall give the Superintendent of Schools notice of resignation at least thirty (30) days before the effective date of the resignation. The Superintendent may waive the thirty (30) days notice requirement and permit a teacher to resign in good standing.

The conditions under which it is permissible to break a contract with the Superintendent are as follows:

- The incapacity on the part of the teacher to perform the contract as evidenced by the certified statement of a physician approved by the Board.
- The release by the Superintendent of the teacher from the contract which the teacher has entered into with the Superintendent.
- The drafting of a teacher into military service by a selective service board.

Any teacher on leave shall notify the Superintendent of Schools in writing at least thirty (30) days prior to the date of return if the teacher does not intend to return to the position from which he/she has taken leave. Failure to render such notice may be considered a breach of contract.

CLASSIFIED PERSONNEL
