

# Rutherford County Board of Education

Monitoring: <b>Review: Annually, in March</b>	Descriptor Term: <b>Employee Participation in Recreational or Fitness Activities</b>	Descriptor Code: <b>5.6101</b>	Issue Date: <b>12/03/09</b>
		Rescinds:	Issued:

1 System employees overseeing recreational and/or physical fitness activities which occur during the  
2 school day as a part of the educational curriculum (i.e. recess, physical education class, field day, field  
3 trips) are to oversee the activities and actions of the students in their care. Participation in these types  
4 of activities will be compensable under the Board's On the Job Injury Program.  
5

6 Employees should not participate in recreational and/or physical fitness activities which are not during  
7 the school day and/or a part of the educational curriculum unless specifically approved by the principal.  
8 Participation in these types of activities is voluntary and accidents/injuries which result from such par-  
9 ticipation will not be compensable under the Board's On the Job Injury Program.
