## 1 TO SCHOOLS

2 Students, including those in kindergarten, are expected to attend the school to which they are assigned  
3 by virtue of their residence. Students will enroll in the school of appropriate grade nearest their  
4 residence.<sup>1</sup>

5 Parents may elect to enroll their children in any school in the school system provided the parent provides  
6 transportation to and from that respective school and provided that such choice does not cause  
7 overcrowding in the chosen school.

8 Parents who are dissatisfied with the assignment of their children may, within ten (10) days after the  
9 assignment, make application to the Board for a hearing requesting a transfer to another school.<sup>2</sup>

## 10 TO CLASSES

11 The principal shall be responsible for assigning all students to classes.

12 Students who enter the system from another school system are to be placed by the principal in the  
13 grade and/or level as indicated by records from the former school. If the student's placement is  
14 inappropriate in the grade or level assigned, he/she may be reassigned by the principal to another grade  
15 level. Parents shall be kept advised.

16 The principal shall separate an alleged victim of child sexual abuse from an alleged perpetrator if the  
17 abuse allegedly occurred while the child was under the supervision or care of the school. If available  
18 and appropriate, a child shall be reassigned if a request is made by the child's parent or custodian and  
19 the perpetrator has been: (1) substantiated by the department of children's services; (2) adjudicated by  
20 a juvenile court to have committed the child sexual abuse; or (3) criminally charged.<sup>3</sup>
