

Elizabethton City Board of Education

Monitoring: Review: Annually, in April	Descriptor Term: Child Custody/Parental Access	Descriptor Code: 6.209	Issued Date: 01/25/96
		Rescinds: JBFA	Issued:

1 The Board presumes that the person who enrolls a student in school is the student's custodial parent.
2 Unless a Tennessee court specifies otherwise, the custodial parent shall be the one whom the school
3 district holds responsible for the education and welfare of that child.
4

5 Parents or guardians shall have the right to receive information contained in school records concerning
6 their minor child. ¹ The Board, unless informed otherwise, assumes there are no restrictions regarding
7 the non-custodial parent's right to be kept informed of the student's progress and activities. If restric-
8 tions are made relative to the rights of the non-custodial parent, the custodial parent shall be requested
9 to submit a certified copy of the court order which curtails these specific rights.
10

11 Unless there are specific court-imposed restrictions, the non-custodial parent, upon request, shall be given
12 access to all of the student's educational records including but not limited to the student's cumulative
13 file and the student's special education file, if applicable. ²
14

15 No principal or teacher shall permit a change in the physical custody of a child at school unless:

- 16 1. The person seeking custody of the child presents the school official with a certified copy of a valid
17 court order from a Tennessee court designating the person who has custody of the child; and
18
 - 19 2. The person seeking custody shall give the school official reasonable advance notice of his/her
20 intent to take custody of the child at school. ³
