Monitoring: Review: Annually, in May	Descriptor Term: Safe Relocation of Students	Descriptor Code: 6.4081	Issued Date: 07/17/14
		Rescinds:	Issued:

1 Employees who are directly responsible for a student's education or who otherwise interact within the
2 scope of their assigned duties may relocate a student from the student's present location to another
3 location when such relocation is necessary for the student's safety or the safety of others.¹ Such
4 employees may also intervene in a physical altercation between two or more students or between a
5 student and an LEA employee. Reasonable force may be used to physically relocate or intervene in a
6 conflict if a student is unwilling to cooperate.² If an employee is unable to resolve the matter with the
7 use of reasonable or justifiable force as required, the student shall be allowed to remain in place until
8 such a time as local law enforcement officers or school resource officers can be summoned to relocate
9 the student or take the student into custody until such a time as a parent or guardian can retrieve the
10 student.

11 In the event that physical relocation becomes necessary, the teacher shall immediately file a brief
12 report of the incident with the building principal. If the student's behavior constitutes a violation of the
13 Board's zero tolerance policy, then the report shall be placed in the student's permanent record.
14 Otherwise, the report shall be kept in the student's discipline record, and not become a part of that
15 student's permanent record. The principal or the principal's designee shall notify the teacher involved
16 of the actions taken to address the behavior of the relocated student.

17 The director of schools shall create procedures to implement this policy consistent with State law. Each
18 building principal shall fully support the employees' authority under this policy and fully implement
19 the policy and procedures of the system.
