- 1 The director of schools shall develop and maintain an Emergency Allergy Response Plan that meets
- 2 state guidelines for managing students with life-threatening allergies. The Plan shall include measures
- 3 to reduce exposure to allergens and procedures to treat allergic reactions. Components of the plan
- 4 shall include, but are not limited to; education and training of personnel, record
- 5 keeping/documentation, development and reviews of the allergy action plan, and protocols for
- 6 classrooms and cafeterias that include strategies to reduce exposure to allergens.¹

- 7 Using the state food allergy guidelines plan as a guide, the director shall also develop a process to
- 8 identify all students with food allergies and develop and implement an Individualized Health Plan
- 9 (IHP) with a Food Allergy Action Plan for each specific student.²

- 10 The Emergency Allergy Response Plan will be placed in every school and shall be reviewed annually.
