Monitoring: <b>Review: Annually, in May</b>	Descriptor Term: <b>Student Records Annual Notification of Rights</b>	Descriptor Code: <b>6.601</b>	Issued Date: <b>06/19/18</b>
		Rescinds: <b>6.601</b>	Issued: <b>12/13/16</b>

1 Within the first three weeks of each school year, the school system will notify parent(s) of students and  
2 eligible students\* of each student's privacy rights.<sup>1</sup> For students enrolling after the above period, this  
3 information will be given to the student's parent(s) or the eligible student at the time of enrollment.<sup>2</sup>

4 The notice will include the right of the student's parent(s) or the eligible student to:

- 5 1. Inspect and review the student's education records;
- 6 2. Seek correction of items in the record which are believed to be inaccurate, misleading or in  
7 violation of the student's rights, including the right to a hearing upon request;
- 8 3. File a complaint with the appropriate state or federal officials when the school system violates  
9 laws and regulations relative to student records;
- 10 4. Obtain a copy of this policy and a copy of such educational records;
- 11 5. Exercise control over other people's access to the records, except when prior written consent is  
12 given, or under circumstances as provided by law or regulations, or where the school system has  
13 designated certain information as "directory information." Parent(s) of students or eligible  
14 students have two weeks after notification to advise the school system in writing – or online as  
15 part of the student onboarding process – of items they designate not to be used as directory  
16 information. The records custodian will mark the appropriate student records for which directory  
17 information is to be limited, and this designation will remain in effect until it is modified by the  
18 written direction of the student's parent(s) or the eligible student.

## 19 **DIRECTORY INFORMATION**

20 " Directory information" means information contained in an education record of a student which would  
21 not generally be considered harmful or an invasion of privacy if disclosed. It includes, but is not limited  
22 to the student's name, address, telephone listing, electronic mail address, photograph, date and place of  
23 birth, major field of study, dates of enrollment, grade level, enrollment status (e.g., undergraduate or  
24 graduate; full-time or part-time), participation in officially recognized activities and sports, weight and  
25 height of members of athletic teams, degrees, honors and awards received, and the most recent  
26 educational agency or institution attended.<sup>3</sup>

1 Student directory information for 11th and 12th graders shall be made available upon request to persons  
2 or groups which make students aware of occupational and educational options, including official  
3 recruiting representatives of the military forces of the State and the United States.<sup>4</sup>

4 \*The student becomes an “eligible student” when he/she reaches age 18 or enrolls in a post-secondary  
5 school, at which time all of the above rights become the student’s rights.<sup>5</sup>
